## UTILITARIANISM SITUATION ETHICS (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Utilitarianism and Situation Ethics is designed to challenge students to think more carefully about two well-known teleological theories. Pitched just right and more comprehensive than a textbook, both theories are carefully mapped within a logical structure of thought, and then unpacked so that applications can be clearly understood. Study questions are provided at the back of each chapter. My students love your books! JA Somerset.
