Balboa Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Spinning Tops are disembodied beings who coexist with us on Earth in an invisible, parallel dimension. They send us messages of love and peace, and they help relieve our anxieties. They support us on our way to perfect harmony and, ultimately, to God. Lucie is the medium who delivers these loving messages. She withholds nothing . her mind is a blank page. The Spinning Tops shine through her like crystal, and she delivers their messages faithfully. In these loving messages, the Spinning Tops explain how adversity and misfortune are repercussions of accumulated human negativity that counteracts God s plan. God is perfect order, harmonious unity. Unknowingly, our minds wield forces that are disturbing the vibratory zones around the Earth, putting our planet out of balance, causing more and more natural disasters. For all of us, saving the planet means first finding the courage to walk the path of wisdom, joy, happiness, and love of others. This is the eleventh commandment, and it is our responsibility to the future. By not following the personal path you were given before birth, you disturb the terrestrial forces. By following your very own preprogrammed destiny, you are helping the Earth to come back into alignment.
