Crabtree Publishing Company, 2016. Paperback. Condition: New. Language: English . Brand New Book. When the cattle trade moved west, herds took over vast expanses of land. Go west with the cowboys that rode the range and herded cattle along the trails from the southwest to the railheads. Find out what life was like for the ranchers who owned the herds and how ranching practices sometimes led to armed conflict with neighboring farmers, such as in the Johnson County War.
