Where the Money Grows and Anatomy of the Bubble

By Gareth Garrett

Wiley. Paperback. Condition: New. 95 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. Hugely popular when it was first published in 1911, and regarded as a classic ever since, *Where the Money Grows* is an honest, humorous, and richly perceptive tour of Wall Street and its enduring customs, institutions, and characters. The Street, according to author Gareth Garrett, is a world populated not only by bulls and bears, but also by wolves, hoodoos, and invisibles. You'll meet them all in this immensely entertaining and revealing book. Also included is a scintillating article, *Anatomy of the Bubble*, originally published in the *Saturday Evening Post*. In piercing prose, Garrett unmasks the debt bubble and displays uncanny prescience. Debt, it would seem, can be every bit as dangerous as manias and other irrational exuberance. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- Jada Franecki II

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
