Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

AUTHORHOUSE, United States, 2012. Hardback. Condition: New. Language: English . Don t get comfortable where you are---put all your energy into reaching your full potential. We cheat ourselves when we do not give our best effort. Pursue your dream in life. If you don t have a dream come up with one---something that excites you; something that puts fire in your belly; something that gives meaning to your life; something that you know you have the talent to do. You only go around once in life so put God first and pursue your dream. Don t go to your grave with the music still in you.
