

Route 66 Kids

By Professor Michael Lund

Beachhouse Books, United States, 2002. Paperback. Book Condition: New. 201 x 119 mm. Language: English . Brand New Book ***** Print on Demand *****.Route 66 Kids, the second in Michael Lund s Route 66 novel series, is a Babyboomers coming-of-age story, reminding us that children always wonder about their origin. When kids asked Where do I come from? in the 1950s, they were really asking about sex, the biggest mystery for those growing up in an age of American innocence. Cold War children also wanted to know more about their parents and the community which surrounded them. Central characters in this novel, Mark Landon and Marcia Terrell, find out about the past in the structures of the Missouri small town they live in, which is located along America s Main Street. Route 66. Throughout their story this great highway endures as a symbol of the promise this nation enjoyed at mid-century. Praise for Growing Up on Route 66 (The first novel in this series) I finished your novel . . .and was struck by how perfectly it seemed to encircle (of course) the world of childhood and its heady veering toward adulthood.It s a loving and funny book

Reviews

Without doubt, this is the very best job by any article writer. It typically does not cost too much. You are going to like just how the blogger write this pdf.
-- Jazmyn Beier II

This book can be worth a read through, and far better than other. It can be writter in easy phrases instead of confusing. You will not really feel monotony at at any moment of your respective time (that's what catalogs are for concerning if you check with me).
-- Wilber Altenwerth
