Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Letters From France These letters are in no sense a history- except that they contain the truth. They were written at the time and within close range of the events they describe. Half of the fighting, including the brave attack before Fromelles, is left untouched on, for these pages do not attempt to narrate the full story of the Australian Imperial Force in France. The record of the and its now historical units in their full action, will be painted upon that background some day. If these letters convey some reflection of the spirit which fought at pozieres, their object is well fulfilled. The author's profits are devoted to the fund for nursing back to useful citizenship Australians blinded or maimed in the war.
