THE ANTICHRIST

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 250 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. In *The Antichrist*, A. W. Pink shows the development of the idea that the system of the Roman papacy is the Antichrist and demonstrates it as an error resulting from the papacy's persecution of Christians in the middle ages. He argues that the intensity of their experience led persecuted Christians to view the identity of the Antichrist as a system rather than as an individual person. Against this error Pink constructs from Scripture a profile of the Antichrist. He demonstrates expository preaching and gives a clear example of how the Bible interprets itself. The book is a collection of lectures given by him between 1913 and 1923. His argument is laid out in the Introduction. The next two chapters show why he does not believe the Roman papacy can be the Antichrist; Chapters Three through Seven give a profile of the Antichrist's identity; and Chapters Eight through Seventeen are an exposition of the theme through the Bible. Through it all runs Pink's dry humor. Arthur W. Pink was born in England in 1886 and died in Scotland in 1952. He attended Moody Bible Institute for six weeks, grew impatient, and moved to Colorado where he began pastoring a church. He pastored churches in America and Australia then returned to Great Britain. After his death his writings became influential in the American Evangelical churches. He was influenced by Protestant, Calvinist, premillennial dispensational and evangelical thinking. We don't hear much of Pink in American Mainline Protestant churches, probably because he wasn't credentialed by a major institutional church and because of his lack of academic pedigree. Pink, along with Calvin, has recently become disendorsed by a fundamentalist group. He was and...
