CROCHET CLUTCH BAGS: 5 FASHIONABLE CROCHET PATTERNS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Crochet Clutch Bags 5 Fashionable Crochet Patterns Every little girl dreams of growing up to become a princess. Nights out with the beautiful gowns and the dazzling jewelry. High heels that make her feel as though the entire world were put there for her. You know you once dreamed of the same thing, and that no outfit would be complete without the little trinket you carry along in your hand. Something small and easy to manage, but something that you know is going to take your outfit up a few notches, and into the realm of elegance. A purse simply won't do. They are too big, too cumbersome, and take up too much of the spotlight. You are going to need something that is much smaller, but still able to capture the elegance that you crave. Something that is able to keep your things safe and sound while you are enjoying your night out. A clutch is the perfect solution to your problem, and it's exactly what you are looking for whether you are searching for pure elegance, or something fun and flirty to keep by your side. And that is where this book comes in. You know if you want something done right odds are you will have to do it yourself. There is nothing more elegant than a handmade item. Something that is so purely you nobody could ever duplicate it. When you are able to make it yourself, it's even better. This book is going to show you exactly how you can do that, as effortless as looking good in your gown. Choose from a number of different clutches for the casual night out...
