

Free Yourself from Microsoft and the NSA. Learn Linux and LibreOffice

By David Spring M. Ed.

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 440 pages. Dimensions: 10.0in. x 8.0in. x 1.0in. In June 2013, former NSA agent Edward Snowden confirmed that Microsoft works closely with the NSA. This book provides the shocking hidden details of that relationship and explains why it harms everyone from social activists to small business owners. If you are concerned about Microsoft handing over your data to the NSA, we are here to offer you a safer more secure option. If you have had enough of Windows 8 viruses, the Blue Screen of Death and Microsofts never ending stream of model changes and price increases, we will show you how to switch to a less expensive and more reliable alternative. This book provides you with step by step instructions on how to install and use free open source tools called Linux and Libre Office on your home, school and work computers. If you want to free yourself from Microsoft and the NSA, this book is for you! The shocking details revealed in this book include: . . . Microsoft was given an exemption from the Sherman Antitrust Act in trade for giving the NSA access to all..

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Brennan Koelpin

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
