

Furniture Care: Repairing and Restoring Chests Cabinets: Professional Techniques to Bring Your Furniture Back to Life (Hardback)

By William Cook

Anness Publishing, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. This title presents professional techniques to bring your furniture back to life. It offers complete instructions for dismantling and rebuilding chests, polishing, waxing and staining, how to repair tops and feet, and how to rebuild drawers and doors. It includes a fascinating history describing how chests and cabinets have evolved over time, as well as advice on buying and using tools, equipment and materials. Projects include repairing a split top, replacing a bracket foot, repairing a glazed door, correcting a minor twist, restoring desk drawers, and repairing a grandfather clock. Chests and cabinets often endure a hard life, and over the years the working parts can be damaged through wear and tear. This book provides complete instructions for repairing chests, drawers, doors and desks, all photographed at a leading antique restoration workshop. Projects include replacing drawer runners, cutting a dovetail joint, repairing a sliding tambour, refitting a door, and polishing a 19th-century desk. Detailed information is given on how each piece of furniture is constructed, and how it can be dismantled and reassembled. Illustrated with over 400 beautiful photographs, the book will enable any restorer to...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It in a single of the best book. This is for those who stante there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
