Reviews

Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. As Chief Inspector West put the cuffs on James Liddell, a feeling of doubt lingered - had this man really committed murder? What seemed to most like a cut and dried case is further complicated when Francesca, Liddell's beautiful daughter, flies into London. She is frightened. What's more, she has a guilty secret. As West pieces together the puzzle, in search of motive and murderer, he comes to see the full picture in all its chilling ugliness. Born in Surrey, England in 1908 into a poor family in which there were nine children, John Creasey grew up to be a true master story teller and international sensation. His more than 600 crime, mystery and thriller titles have now sold 80 million copies in 25 languages. These include many popular series such as Gideon of Scotland Yard, The Toff, Dr Palfrey and The Baron. Creasey wrote under many pseudonyms, explaining that booksellers had complained he totally dominated the C section in stores. Never one to sit still, Creasey had a strong social conscience, and stood for Parliament several times, along with founding the One Party Alliance which promoted the idea of government by a coalition of the best minds from across the political spectrum. He founded the British Crime Writers Association, which to this day celebrates outstanding crime writing. The Mystery Writers of America bestowed upon him the Edgar Award for best novel and then in 1969 the ultimate Grand Master Award.
