Brand New Book ***** Print on Demand *****.Our CLEP Western Civilization I courseware includes a 192 page review book, and an optional downloadable software testing program with over 400 questions to prepare for the exam. We have crammed more information into our courseware than any other publisher. With our software you can take hundreds of sample exams and never take the same exam twice. Our advanced software creates the closest experience to the actual exam. Our software features timed tests, instant scoring, handy mark-and-return function, pause function, and more. The Western Civilization I: Ancient Near East to 1648 examination covers material that is usually taught in the first semester of a two-semester course in Western Civilization. Questions deal with the civilizations of Ancient Greece, Rome, and the Near East; the Middle Ages; the Renaissance and Reformation; and early modern Europe. Candidates may be asked to choose the correct definition of a historical term, select the historical figure whose political viewpoint is described, identify the correct relationship between two historical factors, or detect the inaccurate pairing of an individual with a historical event. Groups of questions may require candidates to interpret, evaluate, or relate the contents of a passage, a map, or a picture to other information, or to analyze and utilize the data contained in a graph or table.
