Random House USA Inc, United States, 2012. Paperback. Condition: New. Large type / large print edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. A daring new departure from the inspired creator of *The Vampire Chronicles* (unrelentingly erotic . . . unforgettable --*The Washington Post*), *Lives of the Mayfair Witches* (Anne Rice will live on through the ages of literature --*San Francisco Chronicle*), and the angels of *The Songs of the Seraphim* (remarkable --*Associated Press*). A whole new world--modern, sleek, high-tech--and at its center, a story as old and compelling as history: the making of a werewolf, reimagined and reinvented as only Anne Rice, teller of mesmerizing tales, conjurer extraordinaire of other realms, could create. The time is the present. The place, the rugged coast of Northern California. A bluff high above the Pacific. A grand mansion full of beauty and tantalizing history set against a towering redwood forest. A young reporter on assignment from the *San Francisco Observer* . . . An older woman welcoming him into her magnificent family home that he has been sent to write about and that she must sell with some urgency . . . A chance encounter between two unlikely people . . . An idyllic night--shattered by horrific unimaginable violence, the young man inexplicably attacked--bitten--by a beast he cannot see in the rural darkness . . . A violent episode that sets in motion a terrifying yet seductive transformation, as the young man, caught between ecstasy and horror, between embracing who he is evolving into and fearing what he will become, soon experiences the thrill of the wolf gift. As he resists the paradoxical pleasure and enthrallment of his wolfen savagery...
