Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Report of the Adjutant General of the State of New Jersey: For the Year Ending October 31st, 1887 Sir: I have the honor to submit the following report of this Department for the year 1877: Office Business. - During the past year the current business of the office has remained about the same as heretofore. The daily requests in person and by mail for official certificates of service in the army or navy are about as many as on previous years. Official Register. - The record of officers and men of New Jersey in the civil war, 1861-65, printed under authority of an act of the Legislature, approved April 6, 1871, has been issued in two quarto volumes and will be distributed immediately by the commission designated in the law in a manner which appears to them consistent with the public interest. On July 4th I had the honor to submit a special report, accompanying the record, and which is printed therein, giving considerable data concerning the organization, quota, expense, casualties, c., of the troops of this State in the war.
