Transworld Publishers Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. The book everyone is talking about: how the French manage to raise well-behaved children, and have a life! Who hasn't noticed how well-behaved French children are, compared to our own? \*How come French babies sleep through the night? \*Why do French children happily eat what is put in front of them? \*How can French mothers chat to their friends while their children play quietly? \*Why are French mothers more likely to be seen in skinny jeans than tracksuit bottoms? Fascinating, gripping, extremely funny. I loved it. It made me want to move to Paris - India Knight, Sunday Times I couldn't put it down Chris Evans.
