CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Dimensions: 10.0in. x 8.0in. x 0.1in. This kindergarten workbook is the first in a series of 10. It is aligned with the websitelearn.com math goal of proficiency, with up to 80 accuracy, identifying and counting numbers from 0 to 100. The objectives in this volume are to identify numerals, associate a value with the numerals, write, identify and sequence numbers from 0 to 5. Coloring, matching, and tracing are some of the skills used to improve numerical awareness and develop fine motor skills. Scaffolding is a prominent feature in this publication. This makes it ideal for beginners, learners whose native language is not English, special education students and students on or below grade level. The primary aim of this book is to compliment online, tutoring and classroom instruction in which novice learners are initially introduced to numeracy. Additional books in this series provide advanced learners with more resources to improve their skills. Free access to online lessons is granted with purchase of any book from the Kindergarten Mathematics counting series. Please visit <http://www.websitelearn.com> for more information. This item ships from La Vergne, TN. Paperback.
