*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Trafford Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Sex Board is an entirely fictional account of the new public or should it be public body set up by the Irish government to provide relaxing services for all the elites in Ireland, whether they are elite people in the top ranks of the public service, top people in business and other organisations, such as charities and the Catholic church in Ireland. The ordinary man and woman in the street, Joe and Josephine Soap, have to pay for the heavy outgoings of the Sex Board through their punitive taxes, but since they are the little people, they are not allowed to take part in any of these romps behind closed doors. Soon, the Sex Board is working like a piston under full pressure and such is the wide scale of copulation and sexual frolics, little or no work gets done. Yet as this satire explains, Ireland still continues to function perfectly well, without any hindrance to services provided by the public and private sectors. Private parts are always to the fore, yet in this satire, the newly found obsession with sex at the top levels of Irish society means that everything continues, business as usual...
