Balboa Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. To lose someone you love through death is tragic. Losing someone you love-your soul mate and best friend-via an ambiguous and unexpected text message is devastating; it can destroy your soul. When you lose a loved one, you go through the process of grieving that enables you to accept their loss and eventually let go. When the person you love severs you from their life and walks away without offering an explanation, how can you do the same? How can you understand and accept the loss so that you can move on with your life? Forever Love is a collection of poetry that considers the process of rebuilding a life after such a callous and devastating loss. The fourth volume in a series, it explores how author Vicki Case worked through this dark period in her life, searching for closure and answers to her questions. In the midst of her grief, she discovered the power of the written word in healing and began composing poetry that reflected the raw emotions she was experiencing. Forever Love contains soul-revealing and vividly honest descriptions of her emotions as she looked for a way to move beyond the hurt and devastation of a love lost.
