## GRASS: IN SEARCH OF HUMAN HABITAT (HARDBACK)

University of California Press, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. Part autobiography, part philosophical rumination, this evocative conservation odyssey explores the deep affinities between humans and our original habitat: grasslands. In a richly drawn, anecdotally driven narrative, Joe C. Truett, a grasslands ecologist who writes with a flair for language, traces the evolutionary, historical, and cultural forces that have reshaped North American rangelands over the past two centuries. He introduces an intriguing cast of...
