

## Tiempo Extremo (Extreme Weather) (Paperback)

By Torrey Maloof

Teacher Created Materials, Inc, United States, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. People experience extreme weather all over the world every day. From blizzards that pack cities with snow to thunderstorms that create terrifying tornadoes, this wild weather can be very dangerous and people must learn to be well prepared when it strikes! Teach students about meteorologists, the Fujita scale, condensing water vapor that may form a hurricane, dust storms, and more in this exciting informational text. Colorful images and fun facts paired with age-appropriate text will keep third-grade students engaged from cover to cover! Featuring a hands-on Think Like a Scientist lab activity that is aligned to the Next Generation Science Standards, this book helps students apply what they ve learned in the text and supports STEM instruction. Helpful diagrams and text features, such as a glossary and index, are also included to improve content-area literacy.

### Reviews

*Very beneficial for all type of folks. It can be rally intriguing through studying time. You will like how the writer publish this ebook.*  
-- **Nathan Cruickshank**

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
