IF I HAD KNOWN HOW THE DAY WOULD TURN OUT, MAYBE I WOULD HAVE STAYED AT HOME. It was supposed to be a special day. A father takes a planned trip to a remote farm with his son and a neighbour's child, looking forward to sorting through the records and dealing with the farm hands helping with the animals. Once that is sorted out, it would be time for some fun, exploring the area and trying out the goo on the lab rats. They arrive at the farm in the evening after a long drive. The kids hurry off to their sleeping bags while he quickly unpacks and lays out their food, clothes, items they would need .and The Goo. He steps out for a short while - and walks back into his darkest nightmare yet. What he faces will alter his life forever. A few reader comments: .Beautiful! Just beautiful. What a cliffhanger!!! You are a genius! I wish the whole world would get to read this.
