## THE ENIGMA DRAGON - A CATS TALE (PAPERBACK)

ICABOD Press, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Do the vast amounts of information and technology available hold humans hostage? Does analog communication create a vulnerability? The political climate in the world is unnerving. North Korea is running missile tests, but where are they getting their deadly supplies? Meanwhile, terrorists are hiding in plain sight, using American technology that is out on display in libraries and museums for the world to see, but are using analog methods to gather and assemble their information. No internet searches equal no red flags which lets the bad guys believe they are operating undetected. But the Cyber Assassin Technology Services (CATS) team is on the job. As Juan and Julie Rodriguez send their operatives out across the globe to track down these foot soldiers also known as Analog Information Mules, they ll discover the horrible potential treats, and learn about each other along the way. Mike and Marge control ePETRO, an oil shipping business with offices in London and New York, but they don t have the same business goals in mind. Marge intends to sell the North Koreans uranium in addition to oil obtained illegally from the government sanctioned Middle East. But Mike may have other plans, mainly, keeping the profits of these sales for himself. Then there is the mysterious Steven Christopher, who oversees the AIMS, and is working several angles behind the scenes. Steven is the only one trusted by both Marge and Mike, but why? The CATs team has feet on the ground, with Ernesto and Tyler following two women through Washington, D.C. as they visit the Smithsonian looking for nuclear fusion processes and down the Texas coast where a dangerous package makes its way onto a ship bound for Asia. Jamie,...
