Liberties Press Ltd, Ireland, 2015. Hardback. Book Condition: New. 218 x 144 mm. Language: English . Brand New Book. There are no days more full than those we go back to. All those Christmases collide into each other and my memory is decorated by a series of mirrors, flashing light into chambers of sound and colour the briquettes sparking red-layered on the fire, the crinkling of the ridiculous paper hats at dinnertime and the laughter moving to deep silence at three in the afternoon when we leaned up against one another like old tires, full of turkey and gravy and trifle and God knows how many slices of plum pudding. From Every Christmas Morning now, Every Christmas Morning then by Colum McCann. Packed with contributions from some of Ireland's best-loved writers, including Roddy Doyle, Alice Taylor, Colum McCann, Sinead Moriarty and John Boyne, among others, each of the author royalties from this collection will be donated to Aware, a charity that supports individuals and families affected by depression. Festive stories vary from vivid recollections of a childhood Christmas spent in Ireland to travels as far as modern-day New York. Each unique story captures the range of emotions that come bundled up with Christmas memories. Without a doubt, The Little Book of Christmas Memories is the perfect fireside companion for this season as well as an ideal Christmas present!
