Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

METAL: LET'S LOOK AT A KNIFE AND FORK

Capstone Global Library Ltd. Paperback. Book Condition: new. BRAND NEW, Metal: Let's Look at a Knife and Fork, Angela Royston, "Read and Learn" is our extensive collection that helps young readers discover and understand the world around them. These books are packed full of fascinating facts and intriguing, labelled photographs that will really grab their attention. Using questions to focus learning, each title will prompt discussion, encourage information gathering and truly involve children in the topics they are studying. "Material Detectives" encourages children to investigate an object using all of their senses. Each book takes a familiar item made from a single material and explores the different properties and uses of that material. A quiz at the end of each title tests comprehension and encourages research skills.
