If you are already making thousands of dollars trading Forex and make a full time extravagant living taking a couple of trades a month, then, please skip this book and go find something else to do. So, on the other side do you live in a self denial chasing the next best system STOP Enough is enough, enough ridicule from your relatives and friends, its time to show your guts. Face it, think about it, what would you think if you were on the other side looking through the eyes of your family and friends. All you see is a loser, getting ups and downs totally controlled by the next guru they read about. Doode , this gota stop! Trust me, I know you feel the pain. I can kind of still remember it kind of hard to do when I am sitting on my yacht in the Caribbean sipping from something that comes with umbrella on top. See, it didnt use to be that way, not too long, couple of years ago but I will tell you about that later in my letter Ha! Forex trading is not all it is cracked up to be, it is a hard game controlled by robots and banks and foreign sovereign institutions. Keep reading if you know where I am coming from Things didnt used to be all pink for me either, pain, loss, closed one losing account , opened second one, heard of such and such broker giving a certain deal on lots opened another account, lost all the money, started in the mini, macro , regular lots Does that sound familiar, try to look from the outside, Forex is for crazy people, crazy winners...
