

## Instant ForgedUI Starter (Paperback)

By Joseandro Luiz

Packt Publishing Limited, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Get to grips with a new technology, understand what it is and what it can do for you, and then get to work with the most important features and tasks. The book is a Starter guide to learning ForgedUI. This book will start by unfolding the installation and creating a simple application using Titanium and ForgedUI, followed by taking you through the features to model an engaging UI and generate multi-platform code with Titanium, while covering the best design practice for Apple and Android application development. Last but not least, you will also come across the available resources where you can look for a more detailed approach. This book is essential for Titanium developers (experienced or not) who are looking to reduce application development time by visually designing their apps, leaving more time to concentrate on other aspects of their projects. iOS or Android Titanium developers will find in ForgedUI a guide to screen design, and alongside Titanium Studio, get cross-platform code with one click.
