THE ATOMIC EXPRESS

Two Sixty Press. Paperback. Book Condition: New. Paperback. 412 pages. Dimensions: 9.0in. x 6.0in. x 1.0in.The Atomic Express: Softcover ISBN: 978-0966941403eBook Edition: ISBN: 978-1881043-96-6Exploding atomic bombs in the Nevada desert in the 50s must have been surreal, but imagine the personalities involved: eccentric scientists building bombs and theologies, ambitious military men building armies and careers, slick politicians, enlisted pawns. If thats not weird enough for you, sprinkle in flying Cadillac bombs, Mickey Mouse bombs, escalators to parallel universes, avenging angels, orgasmic blimp rides through hell, and train rides through the heavens. Creating a star to pre-empt the dawnthats just the beginning. Then you want to ride it. This work is cinematic in its sweep, setting and nuclear grandeur. But its also put together very much like a filmcomposed of hundreds of sharp, telling scenes. It might have been a screenplay, but superb descriptive prose anchors the work. In the grand tradition of Pynchon and Heller, the book is an irreverent collage of absurdity and symbolism. --CROW Quarterly Review 3 of 3 people found the following review helpful: Dont Read This Book If You Treasure Complacency!, March 15, 2000 By Mary G. Not only did I find this combination of satire, adventure and modern history to be totally engrossing while I was reading it, I found that I couldnt put down some of the issues raised after Id already finished the book. If you are also a...
