Profile Books Ltd, United Kingdom, 2013. Paperback. Condition: New. Main. Language: English . Brand New Book. Whether you re new to the field or a seasoned executive, this book will give you a firm grasp on what it takes to make an organization perform. Throughout she shows how the principles of management that work in for-profit businesses can -- and must -- be applied to nonprofits as well. This one roams knowledgeably over the best that has been thought and written with a practical eye for what matters in real organizations. Not since Peter Drucker s great work of the 1950s and 1960s has there been a comparable effort to present the work of management as a coherent whole, to take stock of the current state of play,...
