Steven Mooney. Paperback. Condition: New. 302 pages. Dimensions: 11.0in. x 8.3in. x 0.8in. Including over 5hrs of backing tracks 333 tracks in total. Building a 12 key Facility for the Jazz Bassist breaks down the jazz bass vocabulary by outlining key areas of harmonic structure related to the jazz standard and bebop styles. As in the earlier books in the series the lesson material builds in a stepwise manner enabling the student to build on the solid foundational material discussed in books I - III. All lessons are applied to all 12 keys with written out bass lines and 333 MP3 backing tracks applied to 10 jazz and bebop standard chord progressions with over 150 choruses of written out bass line examples. By practicing the material presented in this book, Book I of the series the bassist builds technical facility and expands on their jazz vocabulary by practicing the key harmonic structures used most often by jazz bassists in the jazz standard and bebop styles. Presented in this book and outlined with written out examples in all 12 keys are the fundamentals required by the professional jazz bassist.
