SHAKEDOWN: THE CONTINUING CONSPIRACY AGAINST THE AMERICAN TAXPAYER

Ivan R Dee, Inc. Hardback. Book Condition: new. BRAND NEW, Shakedown: The Continuing Conspiracy Against the American Taxpayer, Steven Malanga, As their infatuation with President Obama fades, millions of Americans anxiously ask, Is this the change we were waiting for? The current administration represents change, for sure, Steven Malanga argues - a momentous transformation of the fundamental structure of American politics. A self-interested coalition of public-sector unions and government-financed community activists (like the young Barack Obama) has become our era's characteristic political machine. In Shakedown, Mr. Malanga shows how this machine's single-minded goal is always bigger government and more public spending. The bill, he says, is now coming due for the relentless rise of this new political powerhouse. He chronicles how public-sector unions and the corrupt political hacks beholden to them have all but bankrupted once-rich states like California and New Jersey. He details the campaigns to undermine the successful and popular 1990s welfare reform and to revitalize the failed, wasteful War on Poverty programs that funnel taxpayer money to the advocacy groups that are integral cogs in the new political machine. And he provides a comprehensive summary of how these same advocacy groups spent decades helping undermine mortgage standards in the name of helping the poor - in the process enriching themselves and enabling the housing meltdown. As Americans anxiously ponder the future direction of their government and their economy, Shakedown explores the questions of who got us in this mess and why we need change - constructive change - more than ever.
