Harlequin Western Romance, 2016. Paperback. Condition: New. Language: English . Brand New Book. WRANGLIN WITH THE RANCHER? Cassidy McCullough can't remember a time when rancher Will Laredo wasn't a huge (albeit handsome) pain in her backside. In this small Texan town, their bickering is almost legendary. When they rescue a baby during a flash flood, however, Will and Cassidy suddenly find themselves temporary guardians of a child together. Will has a hard time holstering his temper around Cassidy. Now they're both responsible for a lost baby, and darned if they can't stop arguing. The only way to make it through is to declare a cease-fire. And Lord help them both if that happens because then Will might just discover he's falling for his enemy.
