John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, U.S. History For Dummies (3rd Revised edition), Steve Wiegand, Ace your next history test with this concise, easy-to-read guide U.S. History for Dummies, 3 rd Edition fills the need to improve high school proficiency in history by providing a complete history of the United States, presented in an accessible, reader-friendly format designed to engage students while reinforcing lessons learned in class. From the Boston Tea Party to the current Tea Party, the updated 3 rd edition includes information about events that have occurred since the previous edition's 2009 release. New coverage includes: Recession recovery, including federal efforts, unemployment, and the widening class divide The rise of the extreme right and the bitter divisions between political parties and geographic regions Seeking the balance between superpower and domestic caretaker The impact of social media, government surveillance, and cyber crime Not all history is old news, and what happened yesterday affects us all today. It is vitally important that all U.S. citizens are well-versed in the building of our nation, and remain aware of current events. For students and parents wondering what they've missed, U.S. History...
