Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, after the way I believe.

Pavilion Books. Hardback. Book Condition: new. BRAND NEW, My Tiny Garden: Stylish Ideas for Small Spaces, Lucy Scott, Jon Cardwell, Think you don't have enough room to green up your act? Not everyone has access to outside space or what we traditionally think of as a garden, but we all have window ledges, doorways, stairways and unloved spots. My Tiny Garden is bursting with exciting ideas and savvy solutions to help you transform any neglected nook into a plant paradise. With mini meadows, blooming balconies and plant-packed pavements, we've unearthed over 25 amazing unconventional green spaces. Meet the friends who developed a living wall inside their LA office, the London firefighter who rescued a neglected roof terrace, and the Berlin-based photographer who found a picture-perfect community garden at an abandoned airport. You'll pick up all the best tips and tricks as each gardener shares their small-scale expertise, from pots on wheels to vertical planters. Packed with practical advice and design ideas, the latest title in Pavilion's exciting gardening series also provides pointers on key aspects of cultivation - from planting suggestions through to after-planting maintenance and the lowdown on which plants will prosper in which place. Plus, practical projects including an aquatic terrarium, an alpine wall planter and a desktop garden will help you make the most of every inch. Whether you're looking to create a tropical oasis, a flower-filled patch, or a wildlife wonderland, get inspired, let your imagination grow and enjoy your tiny garden.
