NOT THE SON HE EXPECTED: GAY MEN TALK CANDIDLY ABOUT THEIR RELATIONSHIP WITH THEIR FATHER (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Not the Son He Expected explores the powerful and emotionally complex bonds between gay sons and their fathers. Drawn from over eighty interviews with gay men, including a Commander in the US Navy, a well-known gay porn film director, a former Catholic priest, an Army Captain booed at the 2011 Republican primary debate while asking a question about same-sex marriage, a South Dakota rodeo cowboy, a social worker working with Pulse nightclub survivors, a man whose father through gender reassignment surgery has now become his second mother, a New Yorker who underwent years of reparative therapy and is today the foremost advocate for banning the practice, an Oklahoma man whose father offered to purchase a hooker s services to turn him straight, and more, the insightful sharing by these men sheds fresh light upon the profoundly life-shaping bonds between fathers and their gay sons. Twenty-six interviewees speak eloquently about their relationship with their father and offer hard-won advice on topics such as how and when to best come out to one s father, how to deal with non-accepting fathers and families, how to practice healthy self-care, and--since many of these men are now fathers themselves--how to be a loving and supportive dad. Not the Son He Expected will prove to be a helpful and encouraging resource for gay sons, for their fathers, and for all those who love and care about them. The ties that bind fathers to sons can be iron shackles or can be loops of roses. Tim Clausen s new book examines gay sons and their fathers in essays both arresting and at times heart-breaking. This is an important work. ---Gregory Maguire, author of Wicked Tim Clausen hauntingly...
