THE COST OF MUNICIPAL TRADING: A PAPER READ BEFORE THE SOCIETY OF ARTS, LONDON (CLASSIC REPRINT) (HARDBACK)**DOWNLOAD**

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Cost of Municipal Trading: A Paper Read Before the Society of Arts, London The laws defining the limits of State action, to the elucidation of which so much of the best thought, both public and private, of the present and the two previous generations has been devoted, have by this time received a fairly general acceptance by our Imperial Authorities. It is now recognised that Parliament cannot itself initiate the energies of the nation, nor supply the spirit of adventure. These developments and qualities must be the product of the brains, and the enterprise of the people themselves. All that the Imperial Government aims at in this regard is the preservation of the Open door, the maintenance, that is, of a favourable medium of security and liberty within which the free activities of an industrious and adventurous people can (whether at home or abroad) operate without let or hindrance. It is true that it is the fashion of certain speakers and writers who aim at cheap popularity by appealing to the shallower instincts of the uninformed, to disparage these doctrines of free trade, of fair field and no favour, but notwithstanding proposals seductive to class interests, the preachings of Adam Smith, Stuart Mill, Cobden, Bright, and Herbert Spencer have taken such a deep hold of the intelligence of the nation that they may be said to have been adopted as fundamental maxims by Parliamentary economists of whatever political colour. There is a portion of the State, however, into which these important truths do not seem to have yet permeated. The local administrative authorities are as much a part of the State as the imperial. They have similar rights to regulate...
