Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

COMPARATIVE RELIGION

DOWNLOAD

Munshiram Manoharlal Publishers Pvt Ltd, New Delhi, 1996. Hardcover. Condition: New. Reprint. 331pp. The monograph offers a comparative and constructive study of religions, viz., Hinduism, Buddhism, Christianity and Islam. The treatment of each part and principle of religion has been made in order to give an analytic view of them. The author shows that the different religions are the alternative path-ways to God-realization, and that an essential unity exists in them. By comparison of religions he arrives at their synthesis in a composite World Religion, which is a religion of unity-in-plurality. With the acceptance of spiritual experiences, incarnations and prophets, worship and prayer, and varied methods for salvation, a holistic religion of unity-in-diversity is in process of evolution. The work stands for unifying religions in a spiritualistic and humanistic composite World Religion.
