

Cow Country

By Adrian Jones Pearson

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. When a down-on-his-luck educational administrator arrives at the makeshift bus shelter of Cow Eye Junction, he finds a drought-stricken town and its community college on the precipice of institutional ruin. Struggling to navigate this strange world of bloated calf scrota, orgiastic math instruction, and onrushing regional accreditors, Charlie must devise a plan to lead Cow Eye Community College through the perils of continuous improvement to the triumphant culmination of world history. Idiosyncratic, wry, and ambitiously constructed, Cow Country is Adrian Jones Pearson s most American work yet, deftly blending the lunacies of contemporary academia with the tragic consequences of New World nation building. A must-listen for anyone who has ever worked at an institution of higher education or attempted to straddle partisan lines, this insightful novel offers a poetic requiem for the loss of our humanity - and our humanities.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.
