Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose of this book is to go beyond the argument of whether Martin Luther King, Jr. s Dream of an America where content of character supersedes color is fulfilled by the two-term election of the first African-American president, Barrack Obama, or deferred. It looks into why you cannot place the cart before the horse. In this case, the cart is a chariot filled with Obamas and Attorney General (Eric Holder). The horse consists of driving economic and grass root organizations needed to drive a sustained civil and human rights agenda. In the wake of tokenism of holding the presidency, attorney general offices and other temporal-marginal positions of pseudo-esteem, African-Americans outside of elite athletes and entertainers lie deeper in the bottom rung of society. As racial amnesia increases in a pseudo post-racial society, the hegemon or ruling class pushes their surrogates to further racialize social mobility and make blacks scapegoats for their greed and economic downturns. The book first examines the expansion of racial amnesia that mitigates the role of racism in the nation s past, its continued usage and dehumanization today. Racial amnesia makes American incapable of being empathetic respecting the black experience, which continues to face racism on a daily basis. Perceiving African-Americans as other, most Americans have been taught to believe that blacks are responsible for overcoming poverty and its ills, as well as Black-on-Black crime. In this context, President Obama and his administration is expected to lead all Americans except those who look like him unless he is a racist as conservatives allege. In this context, the definition of racism and racist has be redefined to refer to black s help other blacks and those that...
