Language: English Brand New Book ***** Print on Demand *****.Sixteen years after the biggest bank robbery in L.A. history, Jack Morris, child-star-turned-famous Hollywood actor, is found dead in the dark and quiet streets of Cannes. This sets off an explosive chain of events that exposes years of buried secrets. In a search for the truth, the Director of the FBI sends Special Agents Sergio Reyes and Rebecca Gibson to France to lead the investigation. Joined, begrudgingly, by the captain of the French Judiciary Police they follow the trail of clues left behind by the killer. Their chase leads them through the glamorous streets of Cannes to the sunny streets of California. Upon their arrival in Los Angeles, the long buried past is resurrected in a maelstrom of conspiracy, murders, betrayal, danger, greed, and deceit. The quest to reveal the shocking secret is just beginning . and before they know it, they are running for their lives. Their only hope for survival is to discover who is behind this masterful plot, and what they uncover delivers the biggest shock of all. After reading this book, I am thoroughly impressed with the imagination and skill of author Oscar Medina. From the beginning, The Bond\$ of Friend\$hip, takes the reader on a twisting and turning journey to a wonderful unexpected end. I would recommend this book to mystery lovers everywhere. -Joan Burns.
