*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

MYTH

Shogun Saban dreams of becoming a woodsman like his grandfather; to fly between the trees and listen to their stories. Beyond their little corner of the world, an evil has sprouted and is quietly spreading; corrupting its victims and marking them with eyes full of shadows. When it reaches their sleepy hometown of Shrunken Hollow, Shogun and Madigan search for the origin of the darkness but the answer lies in an old myth about a place that only exists in dreams. With the aid of the forest and the sea, Shogun and Madigan must unravel the myth before the darkness takes over their world and themselves. This item ships from multiple locations.
