Teaching Psychology Online: Tips and Strategies for Success (Paperback)

By Kelly S. Neff, Stewart I. Donaldson

Taylor Francis Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Intended as a resource for psychology educators ranging from teaching assistants to experienced faculty, this book shows readers how to effectively create and manage an online psychology course. Guidelines for preparing courses, facilitating communication, and assigning grades are provided along with activities and assessments geared specifically towards psychology. Pedagogical theories and research are fused with the authors teaching experiences to help maximize the reader s abilities as an online psychology instructor. The book focuses on psychology education at the undergraduate level but it also includes material appropriate for graduate students and professionals. Readers will find helpful examples from all the major content areas including introductory, social, developmental, biological, abnormal, and positive psychology, and human sexuality. Every chapter is organized around 3 sections. The Purpose part introduces the key concepts, theory, and research. The Implementation section reviews the nuts and bolts of online teaching, and the Troubleshooting section addresses key problems and potential solutions. Text boxes highlight important tips. The website com provides additional tips, links to related articles and other resources, and examples of online psychology assignments from across the discipline. The book addresses: launching...
