

Moments in Millennia: A Fantasy Anthology

By Michael Cross

Xchylar Publishing. Paperback. Book Condition: New. Paperback. 334 pages. Dimensions: 8.0in. x 5.2in. x 0.8in. Travel with seven talented authors as they glimpse through time into Humanity's future. Will mankind blossom and flourish, conquering the stars and time itself? Or, with selfishness, greed, and just plain bad luck send us all to the brink of destruction? *The Cartographer* by Samuel A. Mayo: Destined to chart the stars throughout the aeons, a team of novice map makers are thrust into a conspiracy to control the universe and time itself. Rescued as a child from the gutter by his mentor, a young cartographer travels in time to settle a treaty dispute, but finds far more than he bargained for, including his own sense of purpose. *Fairykin* by Ben Ireland: In a world where nature has ceased to exist, a tribe of fairies on the brink of extinction must fight for survival itself. But who will bear the ultimate cost? Eoghan willingly fills his role in the ruling family. However, when the fate of his tribe and possibly his race rests on his shoulders, can he bear to pay the price? Will he have a choice? Bred on diplomacy, Eoghan finds his deepest beliefs challenged...
