Reviews

This published publication is excellent. This really is for all who statte there had not been a well worth studying. I am very happy to inform you that this is the very best ebook i have read through within my very own daily life and could be he greatest pdf for possibly.
(Mrs. Maybelle Gleason DDS)

ESSENTIALS OF ECONOMETRICS (4TH INTERNATIONAL EDITION)

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Essentials of Econometrics (4th International edition), Damodar N. Gujarati, The primary objective of the fourth edition of Essentials of Econometrics is to provide a user-friendly introduction to econometric theory and techniques. This text provides a simple and straightforward introduction to econometrics for the beginner. The book is designed to help students understand econometric techniques through extensive examples, careful explanations, and a wide variety of problem material. In each of the editions, I have tried to incorporate major developments in the field in an intuitive and informative way without resort to matrix algebra, calculus, or statistics beyond the introductory level. The fourth edition continues that tradition.
