Brand New Book ***** Print on Demand *****.Ian Aberdeen learned to be a successful private share trader over the last 30 years by reading the right books, taking courses and trading. In 2008 Ian discovered a new indicator for the Australian market called The A-Line. Born in the early 1930 s he won a scholarship to Melbourne University and graduated with a degree in Agricultural Science. He went on to become a well-known and respected agricultural consultant and learned technical analysis of shares as a member of the Australian Technical Analysts Association. The A-Line has kept producing a reliable reading of the whole-market trend ever since and enabled Ian to trade more profitably with lower risk. Ian has now written this book to explain his share-trading strategy and tactics can be used by private traders of the Australian market to grow your savings while avoiding the risk of losing your capital.
