A superior quality book and also the font employed was fascinating to learn. I could possibly comprehend almost everything using this created e publication. You won't sense monotony at any time of your respective time (that's what catalogs are for about should you ask me).

She is married, the mother of four children, grandmother of seven grandchildren, two step-grandchildren, and two step-great-grandchildren. Jo Anne attended Oklahoma State University, but graduated from New Mexico State with a degree in Secondary Education. Her inspiration for writing this book was two trips to the Holy Land where she enjoyed seeing where Jesus lived, shared Gods grace with all who believed, and declared His ministry to the world. She has enjoyed many chances to teach children in her earlier years in a private kindergarten and adults in classes of Disciple Bible Study at University United Methodist Church in Las Cruces, New Mexico where she now lives. She has been a member of the United Methodist Church most of her life and is a member of United Methodist Women (UMW). She has served in many offices of the UMW organization.
