THE SECRET CITY (PAPERBACK)

Createspace, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Secret City: A Novel in Three Parts There are certain things that I feel, as I look through this bundle of manuscript, that I must say. The first is that of course no writer ever has fulfilled his intention and no writer ever will; secondly, that there was, when I began, another intention than that of dealing with my subject adequately, namely that of keeping myself outside the whole of it; I was to be, in the most abstract and immaterial sense of the word, a voice, and that simply because this business of seeing Russian psychology through English eyes has no excuse except that it is English. That is its only interest, its only atmosphere, its only motive, and if you are going to tell me that any aspect of Russia psychological, mystical, practical, or commercial seen through an English medium is either Russia as she really is or Russia as Russians see her, I say to you, without hesitation, that you don t know of what you are talking. Of Russia and the Russians I know nothing, but of the effect upon myself and my ideas of life that Russia and the Russians have made during these last three years I know something. You are perfectly free to say that neither myself nor my ideas of life are of the slightest importance to any one.
