Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Studies in Jewish Nationalism I am much indebted to the editors of Asia, the Jewish Forum, the Menorah Journal, the Round Table, and Palestine for permission to reproduce in this volume essays which have appeared in the periodicals mentioned. The essays are reprinted practically as they appeared: in particular, I have not attempted to bring them up to date by altering the few passages in which the war is referred to, explicitly or by implication, as still in progress. Such changes as have been made are mostly verbal. The conception of Nationalism, and of Jewish Nationalism in particular, which underlies these essays is derived from Achad ha-Am (Asher Ginzberg), the foremost of living Hebrew writers. Some of his essays have appeared in an English translation by the present writer (Selected Essays; Jewish Publication Society of America, Philadelphia, 1912).
