Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

HANDCRAFTED MODERN: AT HOME WITH MID-CENTURY DESIGNERS (HARDBACK)

Rizzoli International Publications, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. An intimate and revealing collection of photographs of astonishingly beautiful, iconic, and undiscovered mid-century interiors. Among significant mid-century interiors, none are more celebrated yet underpublished as the homes created by architects and interior designers for themselves. This collection of newly commissioned photographs presents the most compelling homes by influential mid-century designers, such as Russel Wright, George Nakashima, Harry Bertoia, Charles and Ray Eames, and Eva Zeisel, among others. Intimate as well as revelatory, Williamson s photographs show these creative homes as they were lived in by their designers: Walter Gropius s historic Bauhaus home in Massachusetts; Albert Frey s floating modernist aerie on a Palm Springs rock outcropping; Wharton Esherick s completely handmade Pennsylvania house, from the organic handcarved staircase to the iconic furniture. Personal and breathtaking by turn--these homes are exemplary studies of domestic modernism at its warmest and most creative.
