CHRISTMAS IN FOUNTAIN CITY (PAPERBACK)

Quotidian Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Traditions grow up in neighborhoods and churches the way that they do in families. Fountain City, a fictional city in the Deep South, is no different. Their most recent tradition is the Faith Promise campaign that raises money for missions and feeding the hungry. A noble and necessary work, over time, the key to Faith Promise s ongoing and invigorating success is attributed to Mrs. Bopp s Miracle Fudge, a new holiday recipe invented each year by a fudge-making genius to kick-off the Christmas season and the fund-raising campaign. People who have more than a sweet tooth to satisfy line up for her fudge believing that good things happen when you eat it. But better things begin to happen when Mrs. Bopp can suddenly no longer make the famous fudge. The recipes that have become traditions are left behind when the life-energizing force of Love itself takes a greater hold and moves the citizens of Fountain City to taste and see that the power of Christmas itself-its joy and its truth-are far more potent than any man-made recipe or tradition. Want a taste of Christmas now? You can enjoy the real spirit of Christmas with one click of the button. Enjoy Christmas in Fountain City today.
